Tips from your school librarian!

- Visit the Kids Overdrive to access only the "kids" eBooks and audiobooks. You can go straight there by visiting stcharles.overdrive.com/library/kids. This can be accessed from school or home.
- Visit Kanopy Kids for movies and tv shows that are developmentally appropriate and rated by Common Sense Media.

You may check out up to five physical items at a time. Place holds online and visit your preferred branch to pick up your items!
